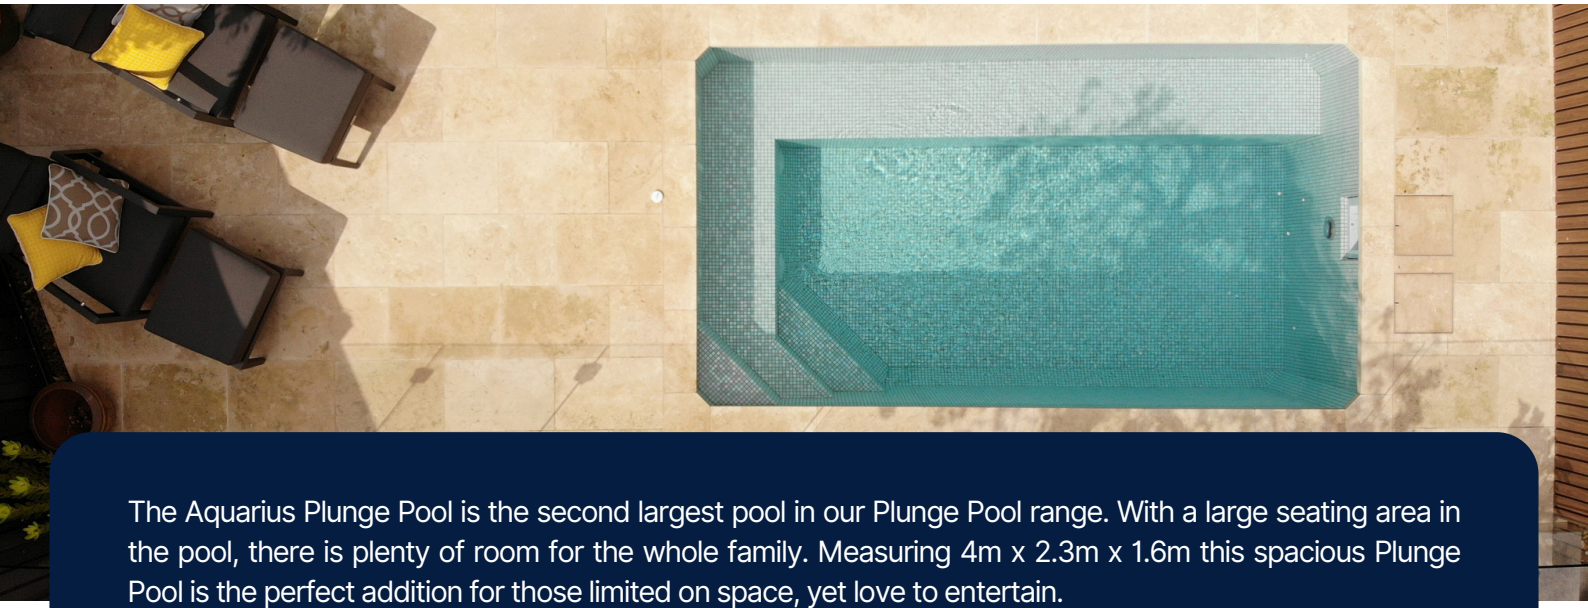
AQUARIUS

8,461L Rectangle with seats
+ additional long bench seat
4,000mm x 2,300mm x 1,600mm



The Aquarius Plunge Pool is the second largest pool in our Plunge Pool range. With a large seating area in the pool, there is plenty of room for the whole family. Measuring 4m x 2.3m x 1.6m this spacious Plunge Pool is the perfect addition for those limited on space, yet love to entertain.

Our precast Plunge Pools are a popular option for the Australian backyard as they can be installed above ground, semi in ground or fully in ground. The pool will be delivered to site with your selected pool interior as well as with pre plumb, meaning that your pool can be fully installed within 1-2 days.

If looking at ways to take your Plunge Pool to the next level we have a large range of Upgrades available. For those wanting to use their pools all year round we have heating options as well as pool covers available to suit most job requirements. If looking to incorporate a spa component to your pool we also have our Spa Jet Package upgrade.

POOL PACKAGES

This industry standard package includes everything you need to be able to use your pool. Featuring high end Fluidra equipment, you have the option to use either salt or magnesium (not supplied).

A semi automated system as it will automatically sanitise your pool as well as adjust your PH level. It uses Magnesium- a natural sanitiser and requires less cleaning due to including a larger energy efficient pump & cartridge filter.
