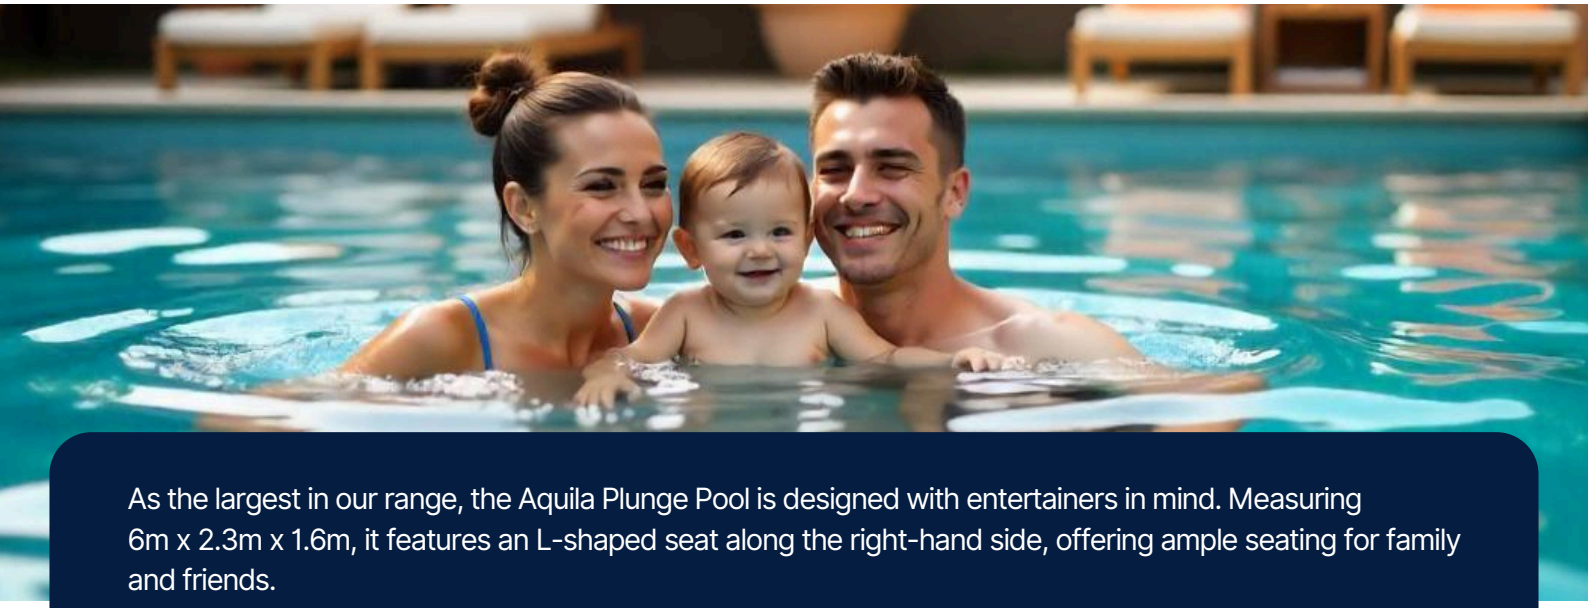
AQUILA

13,187L Rectangle with seats
+ additional long bench seat
6,000mm x 2,300mm x 1,600mm



As the largest in our range, the Aquila Plunge Pool is designed with entertainers in mind. Measuring 6m x 2.3m x 1.6m, it features an L-shaped seat along the right-hand side, offering ample seating for family and friends.

Our precast plunge pools are a favourite among Australian homeowners, thanks to their versatility. They can be installed above ground, semi-in-ground, or fully in-ground, arriving at your site pre-plumbed and with your chosen interior finish. This allows for a hassle-free installation, often completed within just 1–2 days.

Looking to improve your plunge pool experience? Explore our extensive range of upgrades, including heating options and spa covers for year-round use. For those wanting a touch of luxury, consider our Spa Jet Package to transform your pool into the ultimate relaxation spot.

POOL PACKAGES

This industry standard package includes everything you need to be able to use your pool. Featuring high end Fluidra equipment, you have the option to use either salt or magnesium (not supplied).

A semi automated system as it will automatically sanitise your pool as well as adjust your PH level. It uses Magnesium- a natural sanitiser and requires less cleaning due to including a larger energy efficient pump & cartridge filter.
