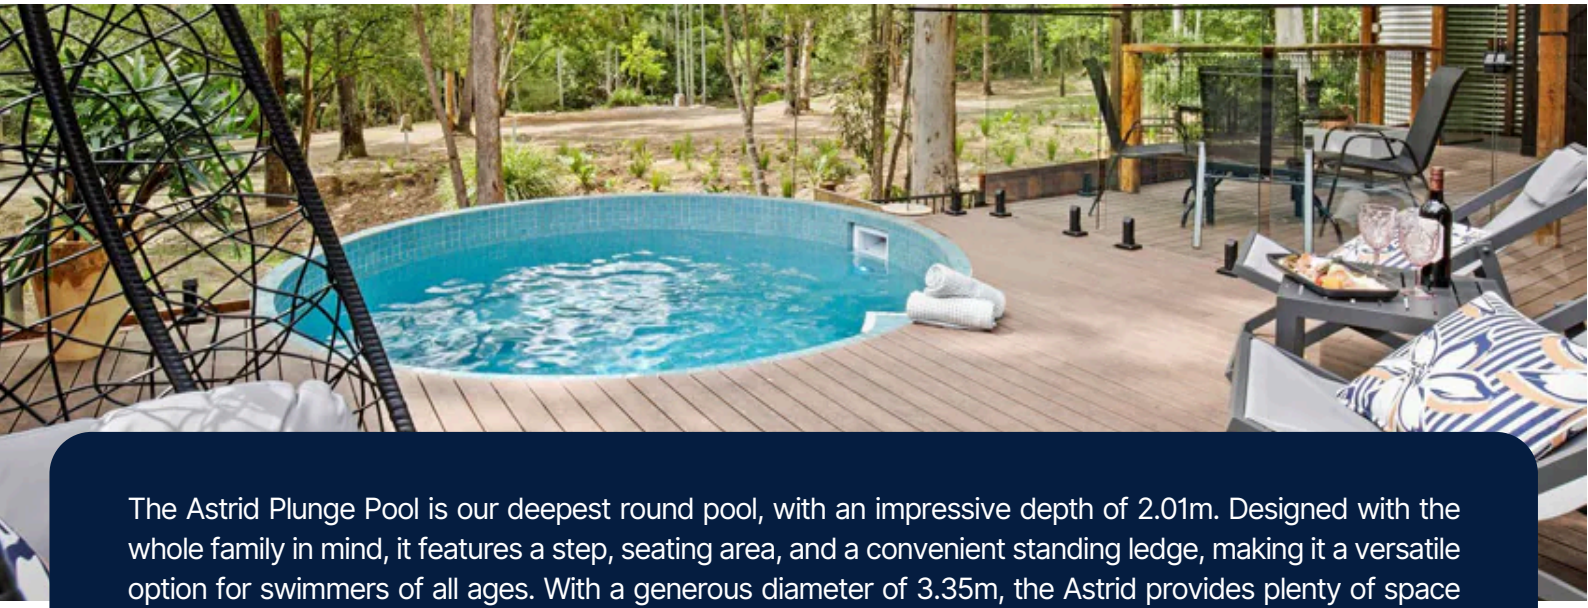
ASTRID

12,398L Round - with seats
3,350mm diameter x 2,010mm high



The Astrid Plunge Pool is our deepest round pool, with an impressive depth of 2.01m. Designed with the whole family in mind, it features a step, seating area, and a convenient standing ledge, making it a versatile option for swimmers of all ages. With a generous diameter of 3.35m, the Astrid provides plenty of space while maintaining its elegant, rounded design.

Precast for convenience and durability, the Astrid Plunge Pool can be installed above ground, semi in-ground, or fully in-ground, ensuring it fits seamlessly into any backyard. Delivered to your site with pre-plumbed fittings and your chosen pool interior, this pool can be installed and ready to enjoy within 1–2 days.

With its depth, ample seating, and standing ledge, the Astrid Plunge Pool is the perfect blend of functionality and style, offering endless enjoyment for you and your family.

POOL PACKAGES

This industry standard package includes everything you need to be able to use your pool. Featuring high end Fluidra equipment, you have the option to use either salt or magnesium (not supplied).

A semi automated system as it will automatically sanitise your pool as well as adjust your PH level. It uses Magnesium- a natural sanitiser and requires less cleaning due to including a larger energy efficient pump & cartridge filter.

	Econo Package	Gold Package
Pump	CTX280 1HP Single Speed Pump	Viron P320XT Variable Speed Pump
