LUNA

8,834L Round - with seats
3,350mm diameter x 1,510mm high

The Luna Plunge Pool is the perfect choice for those seeking a stylish and functional mid-sized pool to elevate their outdoor living space. With a diameter of 3.35m and a height of 1.51m, the Luna offers ample space for relaxation while maintaining a compact footprint ideal for Australian backyards.

Designed with both comfort and practicality in mind, the Luna features a convenient step-in area and an integrated seating section, making it perfect for lounging, socialising, or cooling off on warm days. Its clean, round shape adds a touch of elegance to any outdoor setting, whether you're going for a contemporary or classic aesthetic.

The Luna Plunge Pool brings together comfort, versatility, and style, making it the ultimate backyard centrepiece for relaxation and entertainment. Whether you're cooling off in summer or creating a tranquil retreat to enjoy year-round, the Luna is designed to fit perfectly into your lifestyle.

POOL PACKAGES

This industry standard package includes everything you need to be able to use your pool. Featuring high end Fluidra equipment, you have the option to use either salt or magnesium (not supplied).

A semi automated system as it will automatically sanitise your pool as well as adjust your PH level. It uses Magnesium- a natural sanitiser and requires less cleaning due to including a larger energy efficient pump & cartridge filter.

	Econo Package	Gold Package
Pump	CTX280 1HP Single Speed Pump	Viron P320XT Variable Speed Pump
