NOVA

9,683L Round - no seats
3,350mm diameter x 1,510mm high

Transform your outdoor space into a haven of relaxation with the Nova Plunge Pool. Perfectly suited for the everyday Australian backyard, the Nova is a mid-sized, no-seating plunge pool that offers the ideal balance of simplicity and functionality. With a diameter of 3.35m and a height of 1.51m, it's a popular choice for those seeking the timeless appeal of a classic plunge pool.

Whether you're looking for a stylish addition to complement your landscaping or a practical pool to cool off during summer, the Nova fits seamlessly into any backyard. Its sleek and minimalist design makes it versatile, while its generous depth provides a refreshing escape from the heat.

Take your Nova Plunge Pool to the next level with our wide range of upgrades. Enjoy year-round comfort with heating options such as efficient heat pumps or gas heaters, and enhance energy efficiency with a durable spa cover to retain warmth during cooler months.

POOL PACKAGES

This industry standard package includes everything you need to be able to use your pool. Featuring high end Fluidra equipment, you have the option to use either salt or magnesium (not supplied).

A semi automated system as it will automatically sanitise your pool as well as adjust your PH level. It uses Magnesium- a natural sanitiser and requires less cleaning due to including a larger energy efficient pump & cartridge filter.

	Econo Package	Gold Package
Pump	CTX280 1HP Single Speed Pump	Viron P320XT Variable Speed Pump
