POLARIS

15,136L Rectangle- with seat
6,000mm x 2,300mm x 1,600mm

The Polaris Plunge Pool is the ultimate solution for those seeking a large, rectangular pool that combines practicality with style. Measuring an impressive 6m x 2.3m x 1.6m, the Polaris is the largest plunge pool in our range, offering ample space for the whole family to relax, play, and cool off during the warmer months.

Designed with family and functionality in mind, the Polaris features a convenient step-in area and a comfortable seating section at the short end of the pool. Its generous dimensions make it perfect for entertaining, enjoying quality time with loved ones, or simply unwinding after a long day.

Take your Polaris to the next level with our extensive range of optional upgrades. For year-round enjoyment, consider adding energy-efficient heating solutions such as a heat pump or gas heater, paired with a durable spa cover to retain warmth and improve energy efficiency.

POOL PACKAGES

This industry standard package includes everything you need to be able to use your pool. Featuring high end Fluidra equipment, you have the option to use either salt or magnesium (not supplied).

A semi automated system as it will automatically sanitise your pool as well as adjust your PH level. It uses Magnesium- a natural sanitiser and requires less cleaning due to including a larger energy efficient pump & cartridge filter.
